Hey Ho

Heeey Hooo
Kupugani's got soul
SINGING Uh double up uh uh
Whooh rock on
[repeat once]

As Years Go By

As years go by we meet again
We turn around and find a trusting friend
Now that the summer's in the air
Sun and fun is everywhere
Think of camp and she'll be there
We have smiles
We have tears
We have memories of the years
And the friends we have made

Are the ones we'll never trade
Now that we are home at last
We will remember summers of the past
We show our love and trust in her
Kupugani is our home
We will never ever roam
We have smiles we have tears
We have memories of the years
And the friends we have made
Are the ones we'll never trade

Goodnight Song

Sing in a large circle with arms crossed right over left holding hands.

Goodnight
Goodnight
As the evening shadows fade into the night
With each burning, glowing ember

Make New Friends

Make new friends,
But keep the old,
One is silver,
And the other gold.
A circle's round,
It has no end,
That's how long
I want to be your friend,
You hold me,
And I'll hold you,
Then together,
We will make it through.
I have a hand,
And you have another,
Put them together,
And we have each other.
Sew good friends,
Wherever you may roam,
You'll be welcome,
In my heart and home.
A fire burns bright,
It warms the heart,

There are friendships to remember
So let's say
One more goodnight
Goodnight

We've been friends
Right from the very start.
New made friends,
Like new made wine
Grow and mature,
To the end of the time.
Friends like you,
Are one of a kind,
Very special,
And hard to find.
Friends are real,
And friends are true,
If you love them,
They will love you too.
Cherish friendship,
In your breast
New is good,
But old is best.
Across the miles,
Across the sea
Friends forever,
We will always be.

The Bear Song

(This is a repeat after me song)

The other day,
I met a bear,
Out in the woods,
A way out there.
The other day I met a bear,
Out in the woods a way out there.
He looked at me,
I looked at him,
He sized up me,
I sized up him.
He looked at me I looked at him,
He sized up me I sized up him,
He said to me,
Why don't you run,
I see you ain't,
Got any gun,
He said to me why don't you run?
I see you ain't got any gun.
And so I ran,
Away from there,
But right behind,
Me was that bear.
And so I ran right out of there,
But right behind me was that bear.
Ahead of me,
There was a tree,
A great big tree,
Oh, glory me.
Ahead of me there was a tree,
A great big tree oh glory me.
The lowest branch,
Was ten feet up,
I'd have to jump,
And trust my luck.
The lowest branch was ten feet up,
I'd have to jump and trust my luck.
And so I jumped,
Into the air,
But I missed that branch,
Away up there.
And so I jumped into the air,
But I missed that branch away up there.

Now don't you fret,
Now don't you frown,
Cause I caught that branch,
On the way back down.
Now don't you fret now don't you frown,
Cause I caught that branch on the way back
down.
I heard a crack,
I heard a crunch,
And I became,
That big bear's lunch.
I heard a crack I heard a crunch,
And I became that big bear's lunch.
The moral of,
The story be,
Don't meet a bear,
Without a tree.
The moral of the story be,
Don't meet a bear without a tree.

By Amani Carey-Simms and family

CHORUS:

Ain't nothin' wrong with me
Ain't nothin' wrong with me today

That I can't do if I say I can

I'm a dancer that's learnin' my steps baby baby
Throw my hands up I'm makin' the best of what you gave me
I'm an answer that's learning my question maybe maybe
But there's one thing for sure

I guess this will be painful

I just wasted my turn

I'm in my swimming trunks
I look incredible
I'm diving in the pool
And I just hate that no flip rule

I'm gonna shoot some arrows
And I'm hoping for a bulls eye
Uh Uh I got it
Oh yeah I really got it

This camp's really awesome.

To the tune of Dynamite

All we do is eat-eat-eat-eat

Put on the bug spray with no deet-deet-deet-deet

Make sure your shoes and backs are on your feet-feet-feet-feet...YEAH-YEAH

And the day goes on and on and onnnnn

And the day goes on and on and onnnnn...YEA-AH

Singing A-oh, I miss that yellow

I am go-ing to a camp-fire tonight

Singing A-oh, I miss the smores though

OH-OH

When I get on my feet

Then I brush my teeth

And I run away

Cause then I'll fall asleep in the CWE

Then it all restarts in KUPUGANI

And the day goes on and on and on

And the day goes on and on and on

YEAH

I shoot my arrows in the air some times

Singing A-oh, I miss that yellow

I am go-ing to a camp-fire tonight

Singing A-oh, I miss the smores though

OH-OH
