## **SLOW JAMS**

### **Ain't Nothing Wrong with Me**

By Amani Carey-Simms and family

CHORUS:

Ain't nothin' wrong with me  
Ain't nothin' wrong with me today  
Ain't nothin' wrong with me  
Ain't nothin' wrong with me today

My Mama tells me I'm perfect  
Just the way I am  
My Papa tell me there's nothin'  
That I can't do if I say I can

CHORUS

I'm a dancer that's learnin' my steps baby baby  
Throw my hands up I'm makin' the best of what you gave me  
I'm an answer that's learning my question maybe maybe  
But there's one thing for sure

CHORUS

### **Goodnight Song**

*Sing in a large circle with arms crossed right over left holding hands.*

Goodnight  
Goodnight  
As the evening shadows fade into the night  
With each burning, glowing ember  
There are friendships to remember  
So let's say  
One more goodnight  
Goodnight

### **Don't Laugh at Me**

I'm a little girl with glasses, the one they call a "geek"  
A little girl who never smiles cuz I got braces on my teeth  
And I know how it feels to cry myself to sleep  
I'm that kid on every playground who's always chosen last  
A single teenage mother tryin' to overcome my past  
You don't have to be my friend but is it too much to ask  
Don't laugh at me; don't call me names  
Don't get your pleasure from my pain  
Deep inside we're all the same  
We all need hope and care and love  
Don't laugh at me  
I'm the beggar on the corner  
You've passed me on the street  
I wouldn't be out here begging if I had enough to eat  
And don't think I don't notice that our eyes never meet  
Don't laugh at me; don't call me names  
Don't get your pleasure from my pain  
Deep inside we're all the same  
We all need hope and care and love  
I'm Fat. I'm Thin. I'm Short. I'm Tall. I'm Deaf. I'm Blind.  
Hey aren't we all?  
Don't laugh at me; don't call me names  
Don't get your pleasure from my pain  
Deep inside we're all the same  
We all need hope and care and love  
Don't laugh at me

## Make New Friends

Make new friends,  
But keep the old,  
One is silver,  
And the other gold.  
A circle's round,  
It has no end,  
That's how long  
I want to be your friend,  
You hold me,  
And I'll hold you,  
Then together,  
We will make it through.  
I have a hand,  
And you have another,  
Put them together,  
And we have each other.  
Sew good friends,  
Wherever you may roam,  
You'll be welcome,  
In my heart and home.  
A fire burns bright,  
It warms the heart,  
We've been friends  
Right from the very start.

New made friends,  
Like new made wine  
Grow and mature,  
To the end of the time.  
Friends like you,  
Are one of a kind,  
Very special,  
And hard to find.  
Friends are real,  
And friends are true,  
If you love them,  
They will love you too.  
Cherish friendship,  
In your breast  
New is good,  
But old is best.  
Across the miles,  
Across the sea  
Friends forever,  
We will always be.

## Linger

Mmm, I want to linger  
Mmm, a little longer  
Mmm, a little longer here with you  
Mmm, its such a perfect night  
Mmm, it doesn't seem quite right  
Mmm, that this should be my last with you  
Mmm, and as the years go by  
Mmm, I'll think of you and sigh  
Mmm, This is good night and not good bye  
Mmm, I want to linger  
Mmm, a little longer  
Mmm, a little longer here with you  
Mmm, and come September  
Mmm, I will remember  
Mmm, our camping days and friendships true  
Mmm, I want to linger  
Mmm, a little longer  
Mmm, a little longer here with you

## Round the Glowing Campfire

Round the glowing campfire  
We gather together  
We reminisce good times  
We all have shared  
We sing about friendship  
We sing about unity  
We sing about love between  
All of our sisters  
Hearts linked  
Throughout all of the years  
Kupugani's spirit  
Is heartened by campers true  
We love it as children  
of our summer home  
Our roots are planted  
And we'll be growing  
With the love that's bound together  
In our hearts forever throughout of our years

## As Years Go By

As years go by we meet again  
We turn around and find a trusting friend  
Now that the summer's in the air  
Sun and fun is everywhere  
Think of camp and she'll be there  
We have smiles  
We have tears  
We have memories of the years  
And the friends we have made  
Are the ones we'll never trade  
Now that we are home at last  
We will remember summers of the past  
We show our love and trust in her  
Kupugani is our home  
We will never ever roam  
We have smiles we have tears  
We have memories of the years  
And the friends we have made  
Are the ones we'll never trade

## Dear Kupugani

There's so much we can say  
To thank you for the happiness  
You give us day by day  
You seem to take so little  
But then you give so much  
In the heart of every girl you leave your magic touch  
You spread your love  
    You spread your love  
So beautifully  
    So beautifully  
Like Nature's own  
    Like Nature's own  
A swaying tree  
    A swaying tree  
With branches strong  
    With branches strong  
And leaves so tall  
    And leaves so tall  
So in our hearts  
    So in our hearts  
We love you all  
    We love you all

## This New Camp (To the tune of "This Old Man")

This new camp is so fun  
You can rock climb in the sun  
With a great big Kupugani smile from me to you,  
We want to say we love camp, too.

This new camp, is so cool  
We go swimming in the pool  
With a great big Kupugani smile from me to you,  
We want to say we love camp, too.

This new camp is so great  
We go canoeing in the lake  
With a great big Kupugani smile from me to you,  
We want to say we love camp, too.

We like sharing groups yes we do  
We can share our feelings, too  
With a great big Kupugani smile from me to you,  
We want to say we love camp, too.

The best way to end the day is  
With a campfire wouldn't you say?

### Bang Bang Pedal (Kitchen Staff Appreciation Song)

Put your foot on the loud loud bang bang pedal...Make a lot of noise  
For there's someone here who deserves a medal...just look at her poise  
Our dear Natasha (or whomever is the main cook) here's to you...You're a good scout through and through  
So put your foot on the loud loud bang bang pedal...make a lot of noise

(whispering) Put your foot on the soft soft shh shh pedal, don't make any noise

For there's someone here who deserves a medal, just look at her poise

Our dear (name of second in command) here's to you, you're a good scout through and through

So put your foot on the soft soft shh shh pedal, don't make any noise

Come out, come out  
Won't shut up 'til you come out

Come out, come out  
Won't shut up 'til you come out

Yeah, rah rah, kitchen staff.....

Come out, come out  
Won't shut up 'til you come out

### I Like Kupugani (to the tune of "I Like Big Butts")

I like Kupugani and I cannot lie  
You other sistas are so fly  
When we jump in the lake  
It's really really great  
When you come you'll have lots of fun  
Oh ba-by I wanna be with ya  
And be ya sista  
Hey ladies—yeah!  
Ladies—yeah!  
You wanna get wild 'n' crazy?—yeah!  
Then jump around, dance around  
Even Kevin's got to shout  
At Kupugani!

### **Kupugani is so Fun (to the tune of "Yankee Doodle")**

Kupugani is so fun  
We hike we bike we swim  
We crate stack rock climb in the sun  
Until the light is dim

Kupugani girls are STRONG  
Independent women  
We know how to have some fun  
By learnin', sharin', and singing

### **All the Campers (to the tune of "Single Ladies" by Beyonce)**

All the campers- 7x  
Put your hands up!

Up in the cabin, just got up  
Doing our own little chores  
Decided to eat, then go to teams, then to campivities

After dinner, we play games, then we go to campfires  
We sing songs 'til the day is done, then we start all over again

If you like it then you should have come to Kupugani (4x)

Oh oh oh oh....

### **We Love Camp Kupugani (to the tune of "Yellow Submarine")**

We all love Camp Kupugani, Camp Kupugani, Camp Kupugani  
We all love Camp Kupugani, Camp Kupugani, Camp Kupugani

We love to sing and we love to play  
Everyone of us, everyday  
And we swim and it's lots of fun  
And we rock climb in the sun

We all love Camp Kupugani, Camp Kupugani, Camp Kupugani  
We all love Camp Kupugani, Camp Kupugani, Camp Kupugani

### **My Favorite Camp Things (to the tune of "My Favorite Things" - The Sound of Music)**

Rock climbing, biking, and swimming and sharing  
Singing and sleeping, and eating and caring  
Lifting up spirits to have a good time  
This is my Ca-amp Kupugani rhyme

(Chorus)

When the bugs bite  
When I'm homesick  
When I'm feeling sad  
I simply remember my favorite camp  
And then I don't feel so bad

Archery, Gaga, and cratestacking too-oo  
All of the counselors are there just for you-oo  
Lifting up spirits to have a good time  
This is my Ca-amp Kupugani rhyme  
(Repeat Chorus)

## Party in Camp Kupugani (to the tune of "Party in the USA" - Miley Cyrus)

I hopped in the car with my cardigan  
With my duffel bag in my hand.  
Welcome to the camp of diverse girls,  
Wonder if I'm gonna fit in.

I jump off the dam here I'm me for the first time  
I feel safe knowing I'm gonna have a good time  
It seems all so crazy; everyone seems so happy

It's getting late and I'm feeling kinda homesick  
But I've made a lot of friends and I know I wanna stay here  
And the counselors announce the camp activities  
And my favorite one was on,  
And my favorite one was on,  
And my favorite one was on.

So I put my suit on  
To get in the pool  
And the water's really cool  
Listening to the lifeguard, yeah  
Playin' with my friends like yeah  
So I put my hands down  
We're playing gaga  
I know I'm going to be okay  
Yeah, it's a party at Kupugani  
Yeah, it's a party at Kupugani

## The Song (to the tune of "Find Your Love" - Drake)

We're more than simple campers  
Hey/hey/hey  
We're empowered leaders too  
Hey/hey/hey  
And every single summer  
Hey/hey/hey  
We hang out with our sisters  
Hey/hey/hey

We're campers at Kupugani  
We're independent women  
We're strong givers and changers  
For the world

And nothing's gonna tear us apart

**I've Got a Feeling (to the tune of "I've got a feeling" - Black Eye Peas)**

I gotta feeling ohhh ohhh  
That this camp's gonna be a good time  
That this camp's gonna be a good time  
That this camp's gonna be a good good time (repeat)

(Chorus)  
Today's the day  
At Kupugani  
I got my bug spray  
Spray it on me

At La Tienda  
We lick ice creama  
Now drink that soda  
And crush that...can

Kupugani has it all  
Let's get up, and go out and just do it all  
I wa-ant...to bi-ike and go on a hike  
Swimming and diving and jump in the pool

(Chorus x 2)

I know that we—will have a ball  
Making new friends—learning new songs  
We'll laugh and smile—but that isn't all  
'Cuz Kupugani is our...Call!

Lets be a leader & change the world  
And work together  
With all my girls

Be united & touch the sky  
And don't forget to  
Diversi-fy!

**Kupugani Girls are Coming (to the tune of "The Venga Bus is Coming" - Venga Boys)**

Kupugani girls are coming  
And everybody's jumping  
From East Coast to the West Coast  
The South Pole to the North Pole

Kupugani girls are fun  
Hands up, dance in the sun  
A camp I can call mi-ine  
This summer is the best time

Kupugani girls are awesome  
And everybody loves them  
They're strong and independent  
Empowered and confident

Kupugani girls are rocking

## Kupugani Girls (To the tune of "California Girls" - Katy Perry)

I..know a place...where the girls are independent.  
Warm...lakes and pools...we must be jumping in our swimsuits.  
Sippin'...orange juice...laying underneath the pine trees.  
Campers...get muddy...playing in the volleyball pit.

You can do earlybird...but nothing comes close to campivities.  
Once you jump off the da-am...you'll be falling in love with Camp Kupugani.

Kupugani girls are unstoppable...world changers, we got it on lock  
Multicultural girls are here to have fun  
Oooooh oh oooooh  
Kupugani girls are unforgettable...biking, swimming out in the sun  
Each cabin represent....now put your hands up, Oooooh oh oooooh

## Hey, I Just Met You (To the tune of "Call Me Maybe" - Carly Rae Jepsen)

Hey, I just met you  
And this is crazy  
'Cuz now we're sistas  
At Kupugani

And, all of us girls  
Wanna change theeee world  
Cuz we're awesome leaders  
At Kupugani

Girl you came into my life  
Now it's just so fun  
We dam jump in the sun  
And it's just so so fun  
Walk up whatapuffame  
And now I can't breathe  
On whatapuffame  
And I just still can't breathe, breathe, breathe, breathe...

## To the tune of "Royals" by Lorde

I've never been to a camp that was so great,  
I brush my teeth with toothpaste, in El Baño  
And I am proud of my bug bites,  
Cuz they're a badge of honor,  
And I've never looked hotter!

And every campers like,  
Lake play, dam jumping, lets go canoeing,  
rock climbing, arts and crafts, lets go make bracelets,  
We don't care, we're tanning in the sun...  
And every counselor's like  
Be safe, have fun, lets do a head count,  
secret meeting, leading songs, don't forget your water bottles,  
We do care about each and every camper.

(Chorus)  
Cuz we're at Kupugani (gani)  
We take five minute showers  
We enjoy campivities  
Free to Learn is really fun  
We cover the mirrors (mirrors)  
To embrace inner beauty  
And as women we'll rule, we'll rule, we'll rule, we'll rule  
Cuz we live that camp life!

## The Camp Song (to the tune of "The Cup Song" from Pitch Perfect)

We're walking down the What-a-puff-a-me,  
Two bottles of bug spray for the way.  
You'll sure get really sweaty as we go,  
And you'll smell like river everyday.

Kupugani

Kupuga-ani

We go to campfires in the dark  
We're gonna play a lot of games,  
We're gonna sing a lot of songs, oh,  
We're gonna have a lot of fun!

Kupugani

Kupuga-ani

We play mud volleyball on the flats.  
It's got canoes,  
It's got rivers,  
It's got waters to make you shiver-and  
It sure would be more fun with you!

## SPONGE BOB

Councilors: Are you ready kids?

Campers: Aye-aye councilors!

DI-VERSE LA-DIES At KU-PU-GANI (x4)

## PHINEAS AND FERB

There are fourteen days of camp Kupugani before the slideshow comes to end it

And the annual problem for our kupu-camper is finding the best way to spend it

Like maybe

Building a crate stack or fishing in the pond

Or climbing up the rock wall

Discovering new friends like never before

Or taking a five-minute shower

Doing archery, creating arts and crafts or singing out in the rain (It's super fun!)

Riding a paddle board, painting a session bench, or driving our councilors insane (ladies!)

As you can see there's a whole lot of stuff to do before the session ends,

So stick with us cause Kupugani girls are gonna do it all,

So stick with us cause Kupugani girls are gonna do it all (Tash, we love your coffee cake!)

## LET'S GO TO KUPUGANI (to the tune of "Let it Go")

Let's go to Kupugani!

Come on let's go to camp!

We're gonna do captivities like crate stacking and jumping of the dam

We're gonna be best buddies here at camp

What are we waiting for?

Let's go to Kupugani, It's gonna be amazing

Okay hi!

**Don't Drop That Gaga Ball! (to the tune of don't drop that thun thun thun)**

**To the tune of "When I Was Your Man"**

And I should have gone rock climbing and played ga-gaaaa  
Should have gone cratestacking, when I had the chance  
Gone to all the campivities so I can jump of the daaaaam  
But now I'm headed home, and I wish I stayed at camp!

## NON-KUPUGANI SPECIFIC SONGS

### The Bear Song

*(This is a repeat after me song)*

The other day,  
I met a bear,  
Out in the woods,  
A way out there.  
The other day I met a bear,  
Out in the woods a way out there.  
He looked at me,  
I looked at him,  
He sized up me,  
I sized up him.  
He looked at me I looked at him,  
He sized up me I sized up him,  
He said to me,  
Why don't you run,  
I see you ain't,  
Got any gun,  
He said to me why don't you run?  
I see you ain't got any gun.  
And so I ran,  
Away from there,  
But right behind,  
Me was that bear.  
And so I ran right out of there,  
But right behind me was that bear.  
Ahead of me,  
There was a tree,  
A great big tree,  
Oh, glory me.  
Ahead of me there was a tree,  
A great big tree oh glory me.

The lowest branch,  
Was ten feet up,  
I'd have to jump,  
And trust my luck.  
The lowest branch was ten feet up,  
I'd have to jump and trust my luck.  
And so I jumped,  
Into the air,  
But I missed that branch,  
Away up there.  
And so I jumped into the air,  
But I missed that branch away up there.  
Now don't you fret,  
Now don't you frown,  
Cause I caught that branch,  
On the way back down.  
Now don't you fret now don't you frown,  
Cause I caught that branch on the way back down.  
I heard a crack,  
I heard a crunch,  
And I became,  
That big bear's lunch.  
I heard a crack I heard a crunch,  
And I became that big bear's lunch.  
The moral of,  
The story be,  
Don't meet a bear,  
With out a tree.  
The moral of the story be,  
Don't meet a bear without a tree.

Give me a big "M"  
"Big M!"  
Give me a little "m"  
"Little m!"  
Don't give me no grass no grass.  
Don't give me no sand no sand.  
Just give me that mud,  
Squish Squish!  
That camp mud  
Squish Squish!  
Give me a big "U"  
"Big U!"  
Give me a little "u"  
"Little u!"  
Don't give me no grass no grass.  
Don't give me no sand no sand.  
Just give me that mud,  
Squish Squish!  
That camp mud

### Mud song

Squish Squish!  
Give me a big "D"  
"Big D!"  
Give me a little "d"  
"Little d!"  
Don't give me no grass no grass.

Just give me that mud,  
Squish Squish!  
That camp mud  
Squish Squish!  
Give me some big "MUD"  
"Big Mud!"  
Give me a little "mud"  
"Little mud!"  
Don't give me no grass no grass.  
Don't give me no sand no sand.  
Just give me that mud,  
Squish Squish! That camp mud.

**MOSAIC SONGS (from the Mosaic Project, Oakland, CA)**  
**Fighting is Not the Solution**

Fighting is not the solution, try conflict resolution [x 4]

Stop, cool off, and take a deep breath  
When you get angry don't lose your head  
Tell each other the way you feel, don't scream, don't shout  
Use your words not your fists to work it out

Fighting is not the solution, try conflict resolution [x 4]

Listen to each other find out what you both need  
Stand in each other's shoes, practice a little empathy  
Make a plan that you both like and go for it  
No problem ever gets solved by fighting over it

Fighting is not the solution, try conflict resolution [x 4]

I'm gonna use my I statements [x4]

I feel...frustrated  
When...everyone is talking at the same time  
Because...I wanna listen  
And...I want to know what I'm missing

I'm gonna use my I statements [x4]

I feel...very sad  
When...I get left out on the playground  
Because...I like dodgeball too  
And...I just want to play with you

Fighting is not the solution try conflict resolution [x4]

## The Empathy Song

[Chorus]

I don't know what it's like to be you and  
I don't know what you have to grow through but  
I can try to see the world through your eyes  
Put myself in your shoes...and empathize  
Emphasize?  
No no nooooo...empathize, not emphasize, but empathize  
Entropy?  
No no nooooo nooo...empathy, not entropy, but empathy  
Ooooh

Every story has more than one side  
It's not about what's wrong or right  
Who's to judge what's good or bad  
What makes me laugh might make you mad

Let's try to make a deal  
We'll listen to each other and see how the other feels  
With empathy we can understand  
We can solve our problems and make amends.

[Chorus]

Everybody's got a different point of view  
How would I feel if I were you  
Some people think this, some people think that  
I'm telling you empathy is where it's at

We can solve our problems by talking and listening  
Instead of judging, we can look at things differently  
Write to Congress and get them to see  
Instead of fighting we can try to use empathy, not entropy but empathy

[Chorus]

Not entropy, but empathy...talking 'bout empathy  
Not entropy, but empathy...talking 'bout empathy  
Not entropy, but empathy...talking 'bout empathy  
Not entropy, but empathy...talking 'bout empathy
