AIN'T NOTHING WRONG WITH ME (MORNING SONG)

BIRDIE SONG

ALIVE, AWAKE, ALERT, ENTHUSIASTIC

GRAY SQUIRREL

GOODNIGHT SONG (EVENING SONG)

Ain't Nothing Wrong with Me (Morning song)

By Amani Carey-Simms and family

[CHORUS]

Ain't nothin' wrong with me
Ain't nothin' wrong with me today
Ain't nothin' wrong with me
Ain't nothin' wrong with me today

My Mama tells me I'm perfect
Just the way I am
My Papa tell me there's nothin'
That I can't do if I say I can

[CHORUS]

I'm a dancer that's learnin' my steps baby baby
Throw my hands up I'm makin' the best of what you gave me
I'm an answer that's learning my question maybe maybe
But there's one thing for sure

[CHORUS]

Birdie Song

Way up in the sky, the little birds fly
Way down in the nest, the little birds rest
With a wing on the left and a wing on the right
The little bird sleeps all through the night
Shhh! She's sleep-ing
The bright sun comes up the dew falls away
Good morning! Good Morning! The little birds say

Alive, Awake, Alert, Enthusiastic

I'm alive, awake, alert, enthusiastic!
I'm alive, awake, alert, enthusiastic!
I'm alive, awake, alert!
I'm awake, alert, alive!
I'm alive, alert, awake, enthusiastic!

Gray Squirrel

Gray squirrel, gray squirrel shake your bushy tail
Gray squirrel, gray squirrel shake your bushy tail
Pick it up and touch your nose,
Put it down between your toes,
Gray squirrel, gray squirrel shake your bushy tail.

Goodnight Song (Evening song)

Sing in a large circle with arms crossed right over left holding hands.

Goodnight
Goodnight
As the evening shadows fade into the night
With each burning, glowing ember
There are friendships to remember
So let's say
One more goodnight
Goodnight

Campfire Songs

DON'T LAUGH AT ME

MAKE NEW FRIENDS

LINGER

FIGHTING IS NOT THE SOLUTION

THE EMPATHY SONG

Don't Laugh at Me

I'm a little girl with glasses, the one they call a "geek"
A little girl who never smiles cuz I got braces on my teeth
And I know how it feels to cry myself to sleep

I'm that kid on every playground who's always chosen last
A single teenage mother tryin' to overcome my past
You don't have to be my friend but is it too much to ask?

[CHORUS]

Don't laugh at me; don't call me names
Don't get your pleasure from my pain
Deep inside we're all the same
We all need hope and care and love

Don't laugh at me

I'm the beggar on the corner , you've passed me on the street
I wouldn't be out here begging if I had enough to eat
And don't think I don't notice that our eyes never meet

[CHORUS]

I'm Fat. I'm Thin. I'm Short. I'm Tall. I'm Deaf. I'm Blind.
Hey aren't we all?

CHORUS

Don't laugh at me

Make New Friends

Make new friends,
But keep the old,
One is silver,
And the other gold.

A circle's round,
It has no end,
That's how long
I want to be your friend,

You hold me,
And I'll hold you,
Then together,
We will make it through.

I have a hand,
And you have another,
Put them together,
And we have each other.

Sew good friends,
Wherever you may roam,
You'll be welcome,
In my heart and home.

A fire burns bright,
It warms the heart,
We've been friends
Right from the very start.

New made friends,
Like new made wine
Grow and mature,
To the end of the time.

Friends like you,
Are one of a kind,
Very special,
And hard to find.

Friends are real,
And friends are true,
If you love them,
They will love you too.

Cherish friendship,
In your breast
New is good,
But old is best.

Across the miles,
Across the sea
Friends forever,
We will always be.

Linger

Mmm, I want to linger
Mmm, a little longer
Mmm, a little longer here with you
Mmm, its such a perfect night
Mmm, it doesn't seem quite right
Mmm, that this should be my last with you
Mmm, and as the years go by
Mmm, I'll think of you and sigh
Mmm, This is good night and not good bye

Mmm, I want to linger
Mmm, a little longer
Mmm, a little longer here with you
Mmm, and come September
Mmm, I will remember
Mmm, our camping days and friendships true
Mmm, I want to linger
Mmm, a little longer
Mmm, a little longer here with you

Fighting is Not the Solution

Fighting is not the solution, try conflict resolution [x 4]

Stop, cool off, and take a deep breath
When you get angry don't lose your head
Tell each other the way you feel, don't scream, don't shout
Use your words not your fists to work it out

Fighting is not the solution, try conflict resolution [x 4]

Listen to each other find out what you both need
Stand in each other's shoes, practice a little empathy
Make a plan that you both like and go for it
No problem ever gets solved by fighting over it

Fighting is not the solution, try conflict resolution [x 4]

I'm gonna use my I statements [x4]

I feel...frustrated
When...everyone is talking at the same time
Because...I wanna listen
And...I want to know what I'm missing

I'm gonna use my I statements [x4]

I feel...very sad
When...I get left out on the playground
Because...I like dodgeball too
And...I just want to play with you

Fighting is not the solution try conflict resolution [x4]

The Empathy Song

[CHORUS]

I don't know what it's like to be you and
I don't know what you have to grow through but
I can try to see the world through your eyes
Put myself in your shoes...and empathize
Emphasize?
No no nooooo...empathize, not emphasize, but empathize
Entropy?
No no nooooo nooo...empathy, not entropy, but empathy
Ooooh

Every story has more than one side
It's not about what's wrong or right
Who's to judge what's good or bad
What makes me laugh might make you mad

Let's try to make a deal
We'll listen to each other and see how the other feels
With empathy we can understand
We can solve our problems and make amends.

[CHORUS]

Everybody's got a different point of view
How would I feel if I were you
Some people think this, some people think that
I'm telling you empathy is where it's at

We can solve our problems by talking and listening
Instead of judging, we can look at things differently
Write to Congress and get them to see
Instead of fighting we can try to use empathy, not entropy but empathy

[CHORUS]

Not entropy, but empathy...talking 'bout empathy
Not entropy, but empathy...talking 'bout empathy
Not entropy, but empathy...talking 'bout empathy
Not entropy, but empathy...talking 'bout empathy

Kupugani's where all the fun is.
Get to camp, say goodbye to our parents.
Every time someone mentions the lake,
I get excited, I just can't wait.

When we wake up, the day just begins.
But when we're at camp, the fun never ends.
Camp is my homie, counselors and friends.
Exactly why-yyyy.

We go to Ku-pu-ga-ni.

The Bear Song

(This is a repeat after me song)

The other day,
I met a bear,
Out in the woods,
A way out there.

The other day I met a bear,
Out in the woods a way out there.

He looked at me,
I looked at him,
He sized up me,
I sized up him.

He looked at me I looked at him,
He sized up me I sized up him,

He said to me,
Why don't you run,
I see you ain't,
Got any gun,

He said to me why don't you run?
I see you ain't got any gun.

And so I ran,
Away from there,
But right behind,
Me was that bear.

And so I ran right out of there,
But right behind me was that bear.

Ahead of me,
There was a tree,
A great big tree,
Oh, glory me.

Ahead of me there was a tree,
A great big tree oh glory me.

The lowest branch,
Was ten feet up,
I'd have to jump,
And trust my luck.

The lowest branch was ten feet up,
I'd have to jump and trust my luck.

And so I jumped,
Into the air,
But I missed that branch,
Away up there.

And so I jumped into the air,
But I missed that branch away up there.

Now don't you fret,
Now don't you frown,
Cause I caught that branch,
On the way back down.

Now don't you fret now don't you frown,
Cause I caught that branch on the way back
down.

I heard a crack,
I heard a crunch,
And I became,
That big bear's lunch.

I heard a crack I heard a crunch,
And I became that big bear's lunch.

The moral of,
The story be,
Don't meet a bear,
With out a tree.

The moral of the story be,
Don't meet a bear without a tree.

Party in Camp Kupugani (to the tune of "Party in the USA" - Miley Cyrus)

I hopped in the car with my cardigan
With my duffel bag in my hand.
Welcome to the camp of diverse girls,
Wonder if I'm gonna fit in.

I jump off the dam here I'm me for the first time
I feel safe knowing I'm gonna have a good time
It seems all so crazy; everyone seems so happy

It's getting late and I'm feeling kinda homesick
But I've made a lot of friends and I know I wanna stay here
And the counselors announce the campivities
And my favorite one was on,
And my favorite one was on,
And my favorite one was on.

So I put my suit on
To get in the pool
And the water's really cool
Listening to the lifeguard, yeah
Playin' with my friends like yeah
So I put my hands down
We're playing gaga
I know I'm going to be okay
Yeah, it's a party at Kupugani
Yeah, it's a party at Kupugani

I'm Comin' Up To Camp (to the tune of "Thrift Shop")

I'm Comin' up to camp
I've only got bug spray in my pocket
Uh-uh I'm coming,
Looking for my sunscreen

I look incredible I'm diving in the pool
And I just hate that no flip rule
I'm gonna shoot some arrows
And I'm hoping for a bulls eye
Uh Uh I got it
Oh yeah I really got it
This camp's really awesome.

To the tune of Dynamite

All we do is eat-eat-eat-eat
Put on the bug spray with no deet-deet-deet-deet
Oh my gosh I'm feeling this heat-heat-heat-heat
Make sure your shoes and backs are on your feet-feet-feet-feet...YEAH-YEAH

And the day goes on and on and onnnnn...
And the day goes on and on and onnnnn...YEA-AH

I shoot my arrows in the air some times
Singing A-oh, I miss that yellow
I am go-ing to a camp-fire tonight Singing A-oh,
I miss the smores though OH-OH

When I get on my feet
Then I brush my teeth
And I run away
Cause then I'll fall asleep in the CWE
Then it all restarts in KUPUGANI

And the day goes on and on and on
And the day goes on and on and on YEAH

I shoot my arrows in the air some times
Singing A-oh, I miss that yellow
I am go-ing to a camp-fire tonight Singing A-oh,
I miss the smores though OH-OH
