## **UNIQUE OPPORTUNITY FOR PROGRAM STAFF**

### **At a Residential Summer Camp Serving Diverse Groups**

**Late May – Mid-August 2021**

*We are looking for a diverse, multicultural group of dynamic, creative, warm, exuberant, experienced people with strong leadership ability who are passionate about our vision. Staff will participate in a 10-day staff training followed by 8-10 weeks of groups in a residential summer camp program in Leaf River, IL (less than two hours west of Chicago).*

Camp White Eagle, just two hours west of Chicago, Illinois, has an almost 70-year tradition of safely nurturing and developing campers. Located in the rolling hills and woods of Northwestern Illinois, it comprises beautiful woods, trails, a swimming pool, two all-natural rock-climbing walls, game fields, and a 5-acre lake for swimming, water games, and almost a mile of canoeing through the property.

With 120 acres of forests, wildlife, and wildflowers galore, it offers fresh air, natural water, the robust smell of pure woods and a twinkling night sky. Our camp is certified by the American Camp Association. Camp White Eagle offers a variety of programs. Camp Kupugani multicultural camp offers two-week sessions for girls- and boys-only, and two- or four-week blended sessions. Campers range in age from 7 to 15 and come from diverse backgrounds. For our Team Building Program, our staff members—by guiding and facilitating a group's movement through an engaging course of structured activities—help organizations of all kinds form solid bonds. Through our Rental Camp program, our staff teams with an incoming group's director to plan different activities to assure that the campers have a safe, enjoyable, and productive stay at camp.
