## UNIQUE OPPORTUNITY

### **For Boy Cabin Counselors at a Multicultural Overnight Summer Camp for Kids Ages 7 - 15! June 25 – July 22, 2023 (pre-camp training June 13 – 23)**

Camp Kupugani is a multicultural overnight summer camp focusing on diversity and communication skills in a fun atmosphere. We unite children of varied backgrounds, and provide them with essential skills to empower themselves and build community in an increasingly diverse society. Boys from ages seven to fifteen participate in two-week blended (*intentionally* coed) sessions of our unique summer camp. While typical summer camps are relatively homogeneous and do not challenge campers to stray from their comfort zones, ours focuses on addressing issues of difference and on building self-esteem and community. The kids enjoy a fun, challenging camp experience, including activities like rock climbing, river walking, canoeing, playing under waterfalls, and night hikes under the stars, and special team building activities and games so that fun and personal growth coincide.

*We are looking for dynamic, creative, warm, exuberant, experienced men with strong leadership ability who are passionate about our vision.*

*Counselors will participate in a staff training session prior to camp, and four weeks of our multicultural overnight summer camp program in Leaf River, IL (less than two hours west of Chicago).*

**The Camp Kupugani Mission**

“Kupugani” is a Zulu concept meaning “to raise oneself up.” The fundamental point of Camp Kupugani is to expose children of varied backgrounds and ethnicities to each other. Living, playing, and working together are the best teachers of instilling bonds of friendship and trust. They represent an important step towards breaking down societal barriers that prevent positive interaction. Camp Kupugani provides a safe atmosphere where children are individually empowered via enhancing their communication skills and engaging in community building. By way of carefully selected program activities, we give them the tools to maximize their potential, free of the sometimes-limiting restrictions of school and predisposed social patterns. At Camp Kupugani, boys have big fun, big adventure, big challenge!
